

KCSD Summer School Program

2017 Guidelines

Attendance

All students are required to attend at their scheduled session times and class times. If a student is absent more than two days during summer school without a physician's release they will be dropped from the program. A student that shows to class tardy 3 times will be counted as one absence.

Behavior

Summer School is a privilege and must be seen as one. Students must remain on task during class time and maintain a quiet atmosphere. Students are asked to show respect for other students, staff, equipment, and facilities. Any student that distracts the learning environment of others will immediately be asked to leave and maybe withdrawn from the program. All rules and policies as stated in Klamath County School District's *Student Rights and Responsibilities Handbook* apply to students.

Computers

The KCSD/Mazama High School lab computers are for learning purposes only. Personal use of computers is not allowed. Students are not to send or receive e-mail, listen to CDs, or download music on the lab computers. Internet access is limited to the Fueleducation and Accelerate Education websites. Students are not to go to other websites without teacher permission. Altering or tampering with computer settings, network systems, programs, equipment, or data of another user is a violation of school district policy.

Coursework

KCSD school counselors will refer students to the Summer School Program and determine which courses best meet the student's needs. The course curriculum will be accessed entirely online. Paper copies of all lessons, textbooks, readings, and submissions *may* be available for use in the classroom in case of computer or network failure. Students may work on their courses at home at the website: www.aventalearning.com. Work done at home does not substitute for the minimum class attendance time. Unit exams must be taken in the classroom.

Students are expected to complete an orientation the first day of class and complete *all* assignments and tests of a given course to earn credit. Students should notify their mentor if they have difficulty with the coursework or find other barriers preventing them from keeping up in their assignments.

Through Fueleducation (formerly Aventa), and Accelerate Education students are given the opportunity to achieve academically through an online environment; therefore, it is very important that mutual trust exists between instructors and students. Accordingly, honesty in all academic matters is expected from all students. Any attempt to cheat, plagiarize, falsify information, or receive credit for work you did not do will be considered dishonest behavior and will be dealt with by the student losing credit for the assignment and/or removal from the Summer School Program.

Grading

Grades will not show on report cards but students can access reports from their Blackboard grade book or mentor to review progress in their studies. All final course grades will be forwarded to the student's high school counselor. These grades will be posted to the student's regular high school transcript and are computed into the student's GPA.

KCSD 2017 General Summer School Plan

KCSD will operate a priority credit recovery summer school program for all high school students. All credit recovery classes will be held at Mazama High School Library. Registration for classes will need to take place at Falcon Heights Academy. Fueleducation (formerly Aventa), and Accelerate Education will be the curriculum used. No transportation or health services will be available.

There will be two sessions: June 20th through July 20th with 14 instructional days and July 25th through August 24th with 15 instructional days. Classes run Tuesday through Thursday with two time slots: 8:00 – 11:00 and 12:00 – 3:00. There will be two instructors with a maximum of 20 students per instructor per session.

Student fees for one summer school session will be assigned by resident school staff on a sliding scale. Standard fees will be \$50 per session. Fees for students who are eligible for reduced lunch will be \$30 and \$25 for free lunch. Students may only register for one session and class at a time. Students can expect to complete one class per session; however, a highly motivated student may complete more.

Summer School Enrollment Process

1. Summer school referrals must be made through the students' resident school.
2. All information should be completed on the referral form. All classes that have been transcribed as failed should be checked. The courses will be assigned by FHA staff based on knowledge of course difficulty and estimation of student ability.
3. Forms must have parent signature.
4. Fees should be paid and receipted at FHA.
5. Completed coursework will be transcribed by FHA's Registrar upon her return to work August 1st. These grades must be transcribed by August 29th.

Note: If there are not enough students registered for the second, five week session, it may be cancelled.
